Spring Retreat - 2017

*Thanks to a generous offering we were able to host a Women's Retreat at the beach during Mother's Day week-end. God gave us such calm clear aqua water and sweet fellowship in His Word. **Cultivating a Lifestyle of Praise and Thanks to God**..was our theme. This retreat format is available to any of you who would like to do a home group or individual study. You can contact Sandy at the address above for information. It is in a booklet format ideal for sharing one with another or in a group.*

Spring Blessings

Discipleship Classes this Spring have been a sheer delight. We have had young women participate in our Pathway to Holiness Class and during this late Spring more young adults have participated in our new Titus Study. Their sharing and insights have encouraged us all. Please pray for our young women to continue to grow in godliness. We are continuing to offer classes to all ages of women. Titus 2 is a great reminder to all of us how to present ourselves in the Church and toward the world. To the Glory of God!

Summer Holiday

For a season now the ministry of Women in Discipleship has been in transition. The move to 2127 Mikler Road has been a labor of love and God has been very gracious in this renovation. Many have participated in this time of transition and it has been a delight to see God's hand at work in so many lives. From October until now (May 27) we have seen so many new opportunities come to our door. We continue to host Bible Study classes on Tuesday and Thursday.

Prayer group every other Tuesday through Grace Church, Compassionate Hearts events every other month, housing missionaries in our Ministry apartment, and helping the needy. We counsel those who are hurting and we offer prayer and help to those who need assistance. All to the Glory of our God and Savior Jesus Christ. We thank each of you who pray and give so that we can serve in His Name!

Thank you, Sandra J. Davis, Director of WinD

For the first time - Sandy will be taking a brief break for the months of June and July to refresh and prepare for the Fall events. So much to be looking forward to. In August we will resume with a full schedule of Classes and Ministry Activities.
